I/ The file on the subject received from the Rev. Dept is linked below. The subject is still under consideration in that dept.

2. In paragraph 2 of his report the Hon'ble Mr. Gillman has stated that the conditions under which irrigation was carried on in each village were ascertained and all complaints and suggestions were either answered or noted. It will also be seen ~~also~~ that the ryots of every Govt. village and of a considerable number of inam villages in the double crop area were given the fullest opportunity of being heard and that they took advantage of it. In these circumstances
